Dear Parents/Carers

Staying Safe in the Sun

I wanted to write and tell you about our sun protection policy. We have developed this with the help of the sun safe nursery scheme to ensure that we can all enjoy the sun safely.

The sun's rays can be particularly strong and they can damage children's skin. Your children's health and well-being are very important to us. We have decided to:

- Spend more time discussing sun protection at Pre-School.
- To ensure shade is available at all times in the outdoor areas.
- Actively encourage all children to wear a hat and sun cream when they play outside.

Parents' support is very important if our policies are going to work. You can help by:

- Ensuring your child wears a top with sleeves that cover their shoulders to pre-school, our outdoor area is a sun trap. We do provide shade but strappy tops quickly lead to burnt shoulders.
- Please put sun cream on children before attending sessions.
- Talk to your child about the importance of sun protection at home.
- Please inform us of any additional information regarding your child's sun care needs.

With your consent, we will re-apply sun cream throughout the day. We will use NIVEA SUN Kids Protect & Sensitive Sun Lotion Sunscreen with SPF 50+, Kids Sun cream for Sensitive Skin. Please ask any of the team for a full list of ingredients. We will be adding a £1 voluntary contribution to your summer term bill for the first half term to help cover the cost of the sun cream throughout the year.

Please sign the consent form on the reverse of this letter and return to the Pre-School. Please let me know if your child has allergies and you would like to provide an alternative sun cream.

Any questions, please ask.

Kind regards

Ceri Gardiner

Pre-School Teacher

Sun Cream Consent Form

Name of Child:

Name of Parent/Guardian:

I agree to Pre-School staff applying NIVEA SUN Kids Protect & Sensitive Sun Lotion Sunscreen with SPF 50+ to my child as required.

I am not aware of my child having any allergies to this brand of sun cream.
